If you haven't found a statement for your student account in your box, congratulations! This means you stand at zero. If you found one marked CREDIT, double congratulations!! We owe you! For all you other poor souls we feel great compassion. Please make your plans to pay off this quarter before you register for Spring Quarter. Bring your receipt with you to registration to show that you have done so. If you are one of the many who are waiting for your tax refund, check from your church, G.I. check, bank loan, etc. we can OK your registration. On the other hand, if your plans to meet your obligations are nebulous, please try to firm them up before coming to register. If in doubt, see Lee Merritt, Karen Berns or Claire Wartenberg.
